

Fisker Stock A Ticking Timebomb?!

By winkler · March 5, 2024

If you're long or short Fisker (which apparently a lot of people seem to be).

You'll want to pay attention to what's about to happen to this company.

We'll discuss how I found this ticker

1. What's happening online
2. Compare it to GME
3. Explain Short Float, Interest, Ratio
4. Why it probably won't do a GME like move (Short Float going down, Dilution inc)
5. Then look at the stock chart

Finally, wrap up with..

4. What I'll be doing
