FAQ

What are the top pre-market gainers mentioned in the blog?

The top pre-market gainers include ReWalk Robotics (RWLK), Flexible Solutions International (FSI), Mmtec, Inc. (MTC), ASLAN Pharmaceuticals (ASLN), SG Blocks (SGBX), and Hertz Global Holdings (HTZ).

What was the reason for ReWalk Robotics' stock increase?

ReWalk Robotics' stock increased by 46% following the dismissal of a securities lawsuit by the US Court of Appeals, which positively impacted investor sentiment.

How much did Hertz Global Holdings' stock rise?

Hertz Global Holdings' stock rose by 130%, largely due to securing \$1.65 billion in debtor-in-possession (DIP) financing, which allows the company to continue operations during its Chapter 11 bankruptcy.

What strategic agreement did SG Blocks enter into?

SG Blocks entered into a strategic master development and production agreement with Blink to bring solar, off-grid, modular EV charging solutions to market, contributing to an 80% stock increase.

What financial results did Mmtec, Inc. report?

Mmtec, Inc. reported its half-year 2020 unaudited financial results, which contributed to a 23% increase in its stock price.
